Innovative Benefit Design

Guaranteed Premiums

Life insurance premiums will never increase and are guaranteed through age 100.

Guaranteed Benefits During Working Years

Death Benefit is guaranteed 100% when it is needed most—during your working years when your family is relying on your income. Through age 70 (or 25 years if greater) your death benefit is 100% guaranteed.

Guaranteed Benefits After Age 70

Even after age 70, when income is less relied upon, the benefit is guaranteed to never be less than 50%. And based on current interest rates the full death benefit is designed to last a lifetime.

Paid-up Benefits

After 10 years, paid up benefits begin to accrue. At any point thereafter, if premiums stop, a reduced paid up benefit is guaranteed. Flexibility is perfect for retirement.

Long Term Care (LTC)

If you need LTC, you can access your death benefit while you are living for home health care, assisted living, adult day care and nursing home care. You get 4% of your death benefit per month while you are living for up to 25 months to help pay for LTC. Insurance premiums are waived while this benefit is being paid.

Extension of Benefits

Extends the monthly Long Term Care benefit for up to an additional 50 months, after 100% of the base death benefit has been used for LTC.

Terminal Illness Benefit

You can receive 50% of your death benefit immediately, up to \$100,000, if you are diagnosed as terminally ill.

Life insurance provides your family with money after your death. It helps replace your income and ensure that your dependents are not burdened with debt.

Here's how LifeTime Benefit Term can be Your Family's Champion

As Life Insurance

LifeTime Benefit Term protects your family with money that can be used any way they choose. It is most often used to pay for mortgage or rent, education for children and grandchildren, retirement, family debt, and final expenses.

For Long Term Care

If you become chronically ill, LifeTime Benefit Term will pay you 4% of your death benefit each month you receive Long Term Care. You can use this money any way you choose, and your life insurance premiums will be waived.

Your death benefit will reduce proportionately each month as you receive benefit payments for Long Term Care. Your life insurance will continue to help you protect your assets for 25 months. After 25 months of receiving Long Term Care Benefits, your death benefit will reduce to zero. With Extension of Benefits, if you continue to need LTC after you have exhausted your Death Benefits, you can receive up to 50 more months of benefits, for a total of 75 months of LTC benefits.

For Terminal Illness

You can receive 50% of your death benefit immediately, up to \$100,000, if you are diagnosed as terminally ill.
