AlwaysAssist | App Features

Always have up-to-date dental & vision ID cards.

Never fumble around for a paper card again! Mobile ID cards are a convenient alternative and are easy to email or fax to family members and providers.

Find dental & vision providers easily.

An easy way to find providers near you. Use the search method that works best for you! The system will generate a map instantly to help you on your way.

Schedule appointments quickly and easily.

No need to look up providers' phone numbers anymore. With one touch, you can call and schedule an appointment directly from your search results.

Connect to the full AlwaysAssist Portal.

Want to review your plan information? Or need to get in touch with AlwaysCare? Now you can do both, and more, on your mobile device.

***NEW* Manage your AlwaysAssist account.**

Update your password, email address, and security question. Trouble logging in? Click "Forgot Password" to reset your password via email.
