

Benefits Savings Tips

Maximize the value of your Superior Vision coverage

Know Your Benefits

- Check benefits online at www.superiorvision.com
- Call Superior Vision's Customer Service at 800.507.3800
- Talk with your Human Resources Benefits Manager

Use an In-Network Provider

- Find in-network providers online at www.superiorvision.com
- Call Customer Service at 800.507.3800

Use our Value-Extending Discounts

- Look for providers online who accept Superior Vision discounts
- Receive discounts on covered glasses or contact lenses, as well as on unlimited additional services after you have exhausted your insured benefits
- Save money on common lens upgrades and add-ons

Go to www.svcontacts.com

- In-network, internet mail-order contact lens provider
- Deep discounts on covered contact lenses; free shipping

Use Different In-Network Providers for Your Exams and Materials

- Visit your in-network doctor for an eye examination, and then shop for glasses or contact lenses at any in-network provider, including retail chains

LASIK Vision Correction Discounts

- Access to network of ~800 ophthalmologic surgeons who offer a 20% discount off of their surgeon's fees
- We have partnerships with QualSight, TruVision, and LasikPlus for discounts from 15% – 50% on usual and customary LASIK pricing

Superior Vision's SmartAlert Program

- SmartAlert enhances communication between you, your eye care provider, and primary care physician in instances where there may be a diagnosis or problem
- Facilitates early detection and treatment of possible diseases, helping to keep short and long-term healthcare costs lower

Enroll in your Healthcare Flexible Spending Account (HCFSA)

- FSAs are a tax-favored account that you can use to pay for your vision expenses that are not covered by your insurance
- IRS-approved reimbursement of eligible vision expenses tax-free
