

Your employer has established a retirement plan in which you are eligible to contribute. With your online account, you can:

- ✓ View your current investment balances, positions and performance
- ✓ Review available investment products and information
- \checkmark Update your investment directions, including elections, reallocation and rebalancing
- ✓ Generate online statements and view transaction history
- \checkmark Access a financial wellness center that includes videos, calculators and articles

Follow these easy steps to register and access your workplace account online.

1	Go to: <u>myaccount.ipx-sys.com</u> to register
2	Enter your social security number [no dashes] as your initial username and click "Login."
3	Enter your birthdate [mmddyyyy] as the initial default password
4	Complete all registration information fields and note your new password
5	After completing your registration, you will be directed to the platform and can view and make changes to your account
