

Welcome to AlwaysCare! We are pleased to offer vision benefits for you and your family effective February 1, 2022.

Did you know? Routine vision care is critical to being your best both personally and professionally.

Selection of Providers: You have access to our national network of independent eye care professionals and large optical retail chains (including Walmart, Sam's Club, Costco*, Pearle Vision, Target, Sears, JCPenney and Visionworks). You may choose different providers for the vision exam and materials purchases. Visit www.AlwaysCareBenefits.com or call 888-400-9304 for a list of participating providers.

Covered Benefits:

Exam: Each member is entitled to a comprehensive vision exam. An exam co-pay applies and is outlined in the grid below.

Materials: Each member may purchase eyewear in the form of an eyeglass frame and lenses, or contact lenses. Purchases are subject to benefit frequencies and co-pays. Plan features include:

- **Frame Benefit:** You may choose any frame within a provider's collection, subject to the retail frame allowance listed below. If the cost is greater than the plan's benefits, you are responsible for the difference.
- **Eyeglass Lens Benefit:** Standard plastic (CR-39 Plastic Material) single vision, bifocal and trifocal lenses are generally covered after any applicable materials copay. Plan allowances are listed below for specialty lenses. If the cost is greater than the plan's benefits, you are responsible for the difference.
- **Contact Lens Benefit:** Members electing contact lenses instead of glasses may apply the contact lens allowance to any lenses in the provider's collection. If the cost is greater than the plan's benefits, you are responsible for the difference. The contact allowance will apply to the retail cost of contact lenses and to any professional fitting fee charged by the provider. Some providers, operating independently of the optical store, may charge separately for the fit and evaluation, permitting the contact lens benefit to be used fully for materials.
- **Laser Vision Correction:** Discounts are available with participating surgery providers across the country (not an insured benefit).
