Saturday & Sunday, 10 a.m. - 4 p.m.

PPO Plan Copay:

\$10 per "visit" Plan Code (CHP010)

HDHP (HSA) Plan Cost:

\$45 per "visit" Plan Code (CHP045)

Virtual Visits Primary & Specialty Care

Use this service to **schedule an appointment** with your CoxHealth provider for chronic disease management, acute care and various other healthcare needs.

Call your provider's office to get started. If you don't have a provider, call **417-269-INFO** for help finding one.

Availability based upon each clinic's **regular business hours**. Please contact your provider's office for further information.

This service applies to your regular Primary or Specialty Care **Office Visit benefit**.

To Request a Virtual Visit

1. Go to coxhealth.com/services/virtualvisits
2. Click **Start a Visit Now** or **Schedule a Visit**
3. Follow instructions on next page and start visit

In accordance with State law, Missouri providers cannot administer telemedicine services to patients physically located outside of Missouri.
